

Under the auspices of Friends of CRY Club (FOCC) Kuwait, Brain Bang — the Accelerated Learning Arm of FOCC held its Valedictory Function at the Kuwait American School on April 8.

The function was informative, interactive and a showcase of different talents.

A fun icebreaking game, along with a parental workshop conducted by Javis Jerald, made the evening an informative one. The workshop stressed on the importance of building self esteem in our kids.

The cultural bonanza by students, present and future ,consisting of a skit, group danc-

ing, singing and a short but amazingly captivating magic show by Pranab Halder made the evening well spent.

The important part of the ceremony was the prize distribution. For the first time 6 children Pranav Sankar, Enaam Merchant, Astrid Jerald , Marium George, Andrew Kurian Jacob , and Kynara Fernandes received trophies and completion certificate. All the other children of the 6th year class were awarded certificates and prizes.

The vote of thanks was delivered by Mrs Ramiya Grurajan who thanked all the guests, parents , students and volunteers ie: Sara

Rose, Nisrin Merchant, Janis D'sa, Mrs Ramiya Grurajan and Javis Jerald for their support in making the function a success. A special thanks to Kuwait American School for the use of their premises and Almarai company for sponsoring juices and drinks during the function.

We are starting new module learning methods in Oc. 2011. If you are interested to join this new course you can enroll by calling(97677820). This is completely new and interesting lesson. For more information about this accelerated course visit our website www.fockwt.org

Brain Bang Valedictory Function

Under the auspices of Friends of CRY Club (FOCC) Kuwait, Brain Bang - the Accelerated Learning Arm of FOCC held its Valedictory Function at the Kuwait American School on the 8th of April 2011.

The function was informative, interactive and a showcase of different talents. The Masters of ceremony were 2 talented youngsters from the Brain Bang class Enaam Merchant and Astrid Jerald. Although first timers they conducted the show smoothly .

A fun icebreaking game , along with a parental workshop conducted by Mr Jarvis Jerald, made the evening an informative one. The workshop stressed on the importance of building self esteem in our kids. Next the chief Coordinator of FOCC Capt. Pawan Chowdary informed the audience about the activities of FOCC and CRY in a heartfelt speech which made all feel that they could do a little something for underprivileged children.

The cultural bonanza by students , present and future ,consisting of a skit, group dancing , singing and a short but amazingly captivating magic show by Mr. Pranab Halder made the evening well spent.

The important part of the ceremony was the prize distribution. For the first time 6 children Pranav Sankar, Enaam Merchant, Astrid Jerald , Marium George, Andrew Kurian

Jacob and Kynara Fernandes received trophies and completion certificate for successfully completing the full 3 year course of the Accelerated Learning programme of BRAIN BANG. All the other children of the 6th year class were awarded certificates and prizes.

The vote of Thanks was delivered by Mrs Ramiya Grurajan who thanked all the guests, parents, students and volunteers i.e. Mrs Sara Rose, Mrs Nisrin Merchant, Mrs Janis D'sa, Mrs Ramiya Grurajan and Mr. Javis Jerald for their support in making the function a success. A special thanks to Kuwait American School for the use of their premises and Almarai company for sponsoring juices and drinks during the function.
