Name of Participant:		Distance Walked (Km)	Total amount
FOCC member Name & signature			

The rules for the “CRYwalk” event, which is organized by FOCC, are as stated below.

Eligibility:

The event is open to all children up to high school, studying in Kuwait.

There is **no registration fee** for the event.

Find a sponsor:

Children have to find sponsors for their walk. Sponsorship can be obtained at a fixed rate per kilometer **or** a lump-sum amount. In the former case, the more the participant walks, the more he/she earns. In the latter case, the amount is fixed, irrespective of the number of kilometers walked. Children may sign up sponsors choosing any of the options, or a combination of some choosing the former option and others choosing the latter.

Children should sign up as many sponsors as they can. If a child find more sponsors, than there is space in one form, additional forms may be used by the child. Anyone can sponsor - parents, friends or corporate bodies.

How much to walk:

Participants must walk for a minimum of one kilometer; however there’s no max limit to the number of kilometers that they wish to walk.

Participants can declare their walk completed, at any time or distance after the first kilometer.

Proof of walk:

The participants must carry the form with them and present it to the Admin Desk at the start point and at each 1/2 kilometer thereafter. The form will be

stamped at the Admin Desk checkpoint. The number of stamps will be counted to calculate the number of completed kilometers of the walk.

Walk or run:

Children may walk or run or roller skate. However, bicycles or scooties may **not** be used. Mobiles and iPods may be carried.

End of walk:

Whenever the participant decides to stop and declares their walk has completed, the Admin Desk will count the number of stamps, certify the distance walked and accordingly calculate the amount that each sponsor must contribute. The total for each participant will be signed off at the bottom by one of the FOCC officials and the counterfoil retained with FOCC.

Submission of amount to FOCC:

Children will show the stamped form to each sponsor and collect the promised amount. Once the children have collected sponsorships, they may call any of the FOCC volunteers to submit the collected amount, preferably within a week.

All participants will earn a participation medal. Since this is a non-competitive event, there are **no** first or second or third prize trophies. In fact, every participant will be a winner – having supported CRY personally. With CRY everybody WINS!

“CRYwalk” Registration form:

Kindly take a printout of the form from FOCC website and start looking for your sponsors. The form must be brought to the walking track before the start for a quick registration.

Sample Form, after the walk (e.g., if the child has walked 4 km) :

Sponsor’s Name	Amount		Total (For FOCC use)
	Per km	Lump sum	
Mr. A. Sample	x.000		4x.000
Mrs. B. Goodgiver		y.000	y.000
Bestpal friend	0.333		0.433
M/s Example & Company		kk.000	kk.000
