

## Brain Bang for Parents Closing Ceremony

Brain Bang, the Education Wing of the Friends of CRY Club recently concluded an innovative four week training programme for Parents of Children under 10 years of age which was held at IEAS in Salmiya. The programme included Goal Setting, Memory Techniques, Speed Reading and Notetaking as well as Mind mapping..... and was attended by an enthusiastic group of mothers and fathers.

Brain Bang has recently completed its 7<sup>th</sup> year of Accelerated Learning programme for children ages 11 and older. The programme is conducted on a cycle of 3 modules : Learning and Memory Methods, Profile Based Learning and Creativity with the aim of equipping children with an array of learning methods and techniques based on their learning styles as well as to improve their study habits and perform better in school exams.

Due to requests from parents of younger children below 10 years, the BrainBang team adapted the programme to teach parents these techniques with the main aim to pass them on to their young children.

The next BrainBang programme will be held in October 2012 for school children above 11 years. Watch this space for more details.

A special session just for parents is being held from the second week of April. Parents who are interested can Contact : 97677820, 25619733, 66045764,97863255
